

Dishwasher Instructions

Please rinse plates, cutlery, pots and pans etc... before placing them in the dishwasher. Dishwasher salt also needs to be used occasionally.

If a technician needs to come out to assess any malfunction, and the fault is due to misuse or even a blockage due to not rinsing prior to loading, the whole cost will be charged to the guest.....

However, if the dishwasher has failed due to a manufacturer/warranty issue, then Dunmanus View will meet the cost for rectification..!
